### Chilton Village Fete - Diamond Jubilee

A village fete is being planned to celebrate the Queen's Diamond Jubilee on Monday 4th June 2012 at the village hall and playing field. A number of things are being planned including food, drink, and a music/performance stage.

This is planned to be a village event, so it would be great if any Chilton individuals, groups, clubs/societies, bands and other performers who would wish to run a stall, perform on stage, hold a display or conduct some other event in support of the fete could please contact Ali Poole for more details.

### Chilton Village Hall Improvements and Artwork Design Consultation

The next stage of the consultation will be a questionnaire produced for circulation in the next few days and distributed to every home in the Village asking for further input into the requirements of the Village Hall's extension and improvements and also designs for the new artwork.

We will be holding an event in the Village Hall on Friday 17<sup>th</sup> February from 5pm-9pm so you can return your completed survey and discuss with the Committee in person any points you have. We will be offering a glass of wine together with cheese and biscuits and also the opportunity to win a case of wine for those people returning the survey on the night.

There will be representatives from a number of the groups that regularly use the Village Hall to tell you about their activities and maybe even a demonstration or two to give you an insight as to what they can offer if you wish to join them.

Put the date in your diary – **Friday 17<sup>th</sup> February 5pm-9pm.**

Look forward to seeing you there.

Parish Council

To continue to provide this great group we need assistance, particularly at this time with our Cub Pack. Can you spare some time on Wednesday evenings from 6pm

until 7:30pm? This could be on a weekly basis, bi weekly basis or monthly if it suits you.

### Dog Fouling

Yet again the most frequent complaint the Parish Council receives is about dog fouling. Whilst the Council is aware that the majority of dog owners clear up after their dogs, there are still a large number of very irresponsible owners.

The main areas of complaint this time are; Hill Piece where it is becoming impossible for children to play there; the footpath from the top of South Row towards Prospect Farm; and the person who has taken to bagging their dog faeces in small blue or black plastic bags and leaving them strewn around the Recreation Field or Church Footpath instead of in the dedicated dog waste bin a few yards away at the entrance to the village hall car park. If you have a dog then act responsibly, clear up after it and help to keep the Village clean.

Dog mess is not only unpleasant but it spreads diseases which can cause illness and even blindness. It is a crime to allow a dog to foul in any public area without cleaning it up. By doing so you could face a fixed penalty notice of £50 or prosecution.

Please report anyone seen failing to clean up after their dog to the Vale of White Horse on 01235 520202 or email [environmental.protection@whitehorsedc.gov.uk](mailto:environmental.protection@whitehorsedc.gov.uk)

### Summary Care Records – *The way we manage your health records is changing.*

From mid-February 2012 NHS Oxfordshire will be telling everyone in the county about Summary Care Records (electronic health records). These will be created for

everyone in Oxfordshire from late Spring 2012 as part of the national scheme.

The NHS in England is introducing the NHS Care Records Service to improve the safety and quality of patient care. It will give healthcare staff faster, easier access to reliable information about you to help with your care.

With NHS Care Records there will be ways to get important, accurate information to the NHS staff treating you, including in an emergency and when you use out-of-hours services whilst your GP practice is closed.

Anyone aged 15¾ yrs. and over will have to decide whether they want a Summary Care Record in April 2012, and will receive a freepost mailing that enables them to opt-out of this if they prefer. NHS Oxfordshire will be providing more information in the coming months. More information will be available at [www.oxfordshirepct.nhs.uk](http://www.oxfordshirepct.nhs.uk) from mid-February.

### The "At Home" Group

The Working from Home Group has now been meeting for over 12 months and the members felt it would be nice to extend the group to anyone at home during the day i.e. in between jobs, retired, self-employed, stay at home parents or housewives/husbands.

So, if you are at home on the last Thursday of each month and fancy meeting up with some other members of the village for a social coffee and a chat, please pop down to the Rose and Crown from 11.00am. The next date is **Thursday 23<sup>rd</sup> February**.

If you would like any more information please contact Fiona on 863331 or [Fiona.edlington@tesco.net](mailto:Fiona.edlington@tesco.net)

### Walking the Thames Path

I am gradually walking the Thames Path and have been doing it on my own. It would be nice to have someone to walk with. Anyone interested? I am walking from Oxford to the Thames Barrier and at the moment I am at Shiplake. I walk a leg about once a month at weekends because I work in the week. It would mean either taking 1 or 2 cars and catching a train and walking back to the car. If you are interested please let me know. My telephone number is 01235 835163 or mobile 07770 511495

Many thanks  
Kate Morris

### Where do I dispose of this?

What do I do with that old car battery, or aluminium cooking foil or used aerosol tins or low-energy light bulbs or old tins of paint? Or a score of other items of household waste that do not self-evidently belong in the green bin, that you no longer want but either might still be recyclable or need to be disposed of responsibly? Ponder no more-just look them up on the Vale District Council or Oxford County Council's easy-to-use recycling pages on their websites. Here are the links:
