

## HIRERS HELP SHEET

**If you have a problem with Village Hall/Community Room facilities during your hiring period, the Management Committee volunteers will try to help you solve it. For more immediate problems, that would prevent you using the Room you have hired, contact the month's duty Committee Member below. If you notice a minor damage or other item that might affect future bookings, fill in one of the Defect/Breakage forms located near this notice and leave it in the pouch.**
