Parish Council Elections

All of the seats on the Parish Council come up for election at the beginning of May 2011. There are seven seats to be contested. If you feel you can spare some time, would like to serve the community as a Parish Councillor but are not sure what is involved, the Clerk will be happy to give you some details. Do give some thought to becoming a candidate to serve Chilton as a Parish Councillor – Don't just leave it to others, play a part yourself.

2nd Chilton Scout Troop celebrates the awarding of Chief Scout Gold Awards

The 2nd Chilton Scout Troop recently celebrated the award of a special badge to a number of scouts within the troop. Five of our scouts; Jasmine, Oliver, Joe, Matthew and Harry received the Chief Scout Gold Award (CSGA) in January. The CSGA is the culmination of a lot of hard work by these scouts. To complete the award they had to achieve 8 of the 9 possible scout challenge badges. These badges included activities such as looking at international issues, taking part in outdoor pursuits such as camping and hiking, and being competent at using penknives, axes and fire lighting. All of these skills are geared towards developing young people into mature and accomplished scouts. There were also challenges focusing on fitness and the local community so you may have seen the scouts helping out in the church yard or litter picking around the village.

To award one CSGA within a troop in a year is good work, but to award five is excellent. I think this demonstrates how

well the troop is developing and illustrates how dedicated the leaders are in providing a good programme of activities for the troop. Well done and congratulations to all the scouts for achieving this award.

Join Our Celebration

Chilton bells were restored for the millennium. We had a new bell frame, the tower was strengthened and the bells tuned. Our earliest bell was cast in 1623 and is still in use. Do you know of anything older in the village in constant use today? The work was completed in time for the rededication service on 7 January 2001, and the bells have been rung regularly since then.

Some of the original ringers from 2001 have left the village and we now need to replace them. Bell ringing is a fascinating activity; there are many different tunes you can join with others to ring; you meet all ages of local people and it costs nothing. Unlike golf or visits to the gym, you do not have to drive using expensive petrol, you can easily walk to the church, or get a lift to Harwell when we have a joint practice there.

We want to have a celebratory ring this year with all Chilton ringers. Why not give it a chance? You now have a unique opportunity this year to learn to ring at the special Beginners Course being organised by Harwell tower.

Working from Home Group

The above group has now met twice (December and January) with twelve people within the village either attending or expressing an interest in being part of the group.

The meeting is informal and gives people the opportunity to discuss their work challenges, concerns, share ideas and

identify areas where others in the group may be able to assist.

The next meeting is planned for **Wednesday 9th March at 11am** (venue tbc) and Catharine Arakelian from Oxfordshire Rural Community Council will be attending. The ORCC support this initiative and work to support the quality of life for all who live and work in rural Oxfordshire.

If you wish to attend or require any further information please contact Fiona Edlington on 01235 863331 or Fiona.edlington@tesco.net

Tai Chi in Chilton?

If you have ever been curious about finding out more about practising Tai Chi now is your chance. Tai Chi Chuan Yang Style is a soft and gentle form of exercise suitable for all ages. It has many health benefits because through the use of slow and soft movement the body is relaxed and free from stress. Tai Chi can bring about improved posture, energy, circulation and increased suppleness. The joints are exercised and kept mobile.

Practice can also increase mental concentration.

A number of Chilton residents have already expressed interest in joining a class, and if enough people add to this number, then a local Tai Chi Instructor Tony Jones has offered to start classes in Chilton Village Hall. So if you think Tai Chi might be for you, please let us know by contacting Sue Granger on sue@chiltonvillagehall.co.uk or 01235 861 253 and leaving your name, and what times/days would be suitable for you.

Anyone for Tennis?

Many assume that playing tennis equates to warm Summer weather but you would be wrong! Tennis enthusiasts braved the elements on Bank Holiday Monday to welcome in the New Year.

27 people of all ages and abilities gathered at Blewbury Tennis Club and enjoyed getting out into the fresh air, catching up with friends and of course playing tennis! Mulled cider and mince pies sustained our reserves and those of spectators too who enjoyed watching their children racing about the courts.

This social event is one that the club hopes to run regularly now that all 4 courts have been upgraded. We will soon have a court-side “hut” to shelter in or make tea, which will improve the facilities even more.

The club welcomes new members at any time throughout the year and membership rates are extremely good value – especially for families. For 2011 we are delighted to be able to host Attack Tennis – all year round coaching for children of all ages and abilities, so book in early and get playing! All details can be found on www.attacktennis.co.uk. The classes are also open to non-members in the first term, so come along and give it a try! Membership enquiries can be made to rosemary.dewilde@mac.com or www.blewburytennisclub.co.uk

We look forward to seeing you soon.

New Play Area and Dog Fouling

The Parish Council has received yet more complaints about dog fouling; this time in the area of the new play equipment. The Council is aware that most dog owners act responsibly and clean up after their dogs BUT a small minority spoil it for everyone else. Please clear up after your dogs, it is unpleasant and also dangerous as it spreads diseases which can cause illness and even blindness.

It is a crime to allow a dog to foul in any public area without cleaning it up. By doing so you could face a fixed penalty notice of £50 or prosecution.

If you see another dog owner committing this offence please keep a record of anything that can identify them and contact the VWHDC' Environment Wardens on 01235 520202 or email environmental.protection@whitehorsedc.gov.uk

Refuse Collection

If you are still having problems with refuse collection please contact our District Councillor Reg Waite on 01235 861779 or regwaite@aol.com and he will do his best to help you.

Fly Tipping

Anyone who finds items that have been flying tipped should report it to the Vale of White Horse District Council who will remove them. Contact the Vale on 01235 520202 or report on-line on their website. Remember it is an offence to fly tip and if caught you can be fined.

Fly tipping of hazardous waste like asbestos is particularly reprehensible.

Lights Out

If your street light is out please phone 0800 317802 for the light to be repaired. This is a free phone number. Remember to note the lamp number, which is printed on the lamp post and street name.

Another way to report a problem

Various incidents (e.g. vandalism, fly tipping, potholes, etc) can be reported to this website, <http://www.communityfix.co.uk/> and they will forward the problem to the relevant authority to deal with.

The next meeting of the Parish Council will be on **Thursday 24th February at 8.00pm.**

Members of the public are invited to attend.
